

## 2023 CSSP Program Eligibility and Stipend Income Guidelines

Eligibility for CSSP is determined by calculating *the sum of the last four weeks of household income* at the time of application. Household income must be verified with documentation. We encourage you to apply if you believe your household income is at or below that shown in **Chart # 1: CSSP Program Eligibility Income Guidelines** below. If interested in also receiving a monthly stipend while in training, your household income must be at or below that shown on **Chart # 2: CSSP Stipend Eligibility Income Guidelines**.
